Subject Michigan Settlement Agreement

History: This message has been forwarded.

<<Redline.doc>> Attached please find a redraft of the Michigan Settlement Agreement, revised to reflect the comments received over the last couple of days and redlined against the version of the document circulated on Friday evening that I think we were all working from. Also attached is a redraft of Exhibit B with revisions from the version of the document received from MDEQ on Friday afternoon and discussed yesterday. Please let me know if there are further suggested revisions to either document. If you believe that a conference call is necessary to facilitate finalization of these documents, please let me know as well and I will set one up. Once we've got any final suggested revisions, I will circulate an execution copy. Thanks to all.
